

# Rose Creek Elementary School

12812 South 3600 West, Riverton, Utah 84065  
Michelle Peterson, Principal  
Phone: 801-254-8082  
Fax: 801-302-4963

## Rose Creek Elementary School Community Council Meeting March 20, 2013

In attendance: Amy Slack - Chairperson, Trudy Fegel, Dave Olsen, Andrea Lefgren, Mindy Peck - PTA Representative, Loie Glass, Anna Wylie, Michelle Peterson - Principal, Fanae Oakson, Charlotte Hansen, Amy Stephens - visitor, Breana Nichols

Trudy Fegel approved the previous minutes and Loie Glass seconded the motion.

- **SCHOOL SAFETY:** Eight cameras have been installed, classroom doors are locked but can be opened. Walking plan submitted-same as last year, sidewalks are mostly installed on 3600 West. Extra lanes at entrance of school have been more helpful with the flow of traffic. Mrs. Peterson is looking at computer based software program to check in volunteers for safety. There is a concern about those walking along 3200 W by the hospital. It is hard to see the kids crossing with the cars lining the street.
- **TRUSTLANDS:** Money this year was used to hire six SOAR assistants, provide money for teacher professional development and teacher PLC's. Had 45,000 this year, there might be more next year. SOAR is an essential program with big strides in reading for the students. Talked about using the extra money next year for math tutors, and/or training for parents and aides. Charlotte moved to approve, Dave Olsen seconded.
- **DUAL IMMERSION:** Charlotte Hansen and Michelle Peterson visited Foothills and Herriman Elementary schools. They had a positive impression of the program, They saw language drills taught in the language. The classrooms used workbook and textbook are provided by the district. We would mostly likely have Portuguese language. Amy Stevens and Charlotte will work up survey to see what parent interest there is in the program. We need to find out the process to apply/time frame to implement the program. Cluster program starting in the fall. There will be approximately 30 high functioning autistic students. Two classes, one for K-3 with 15 kids, and one for 4-6 grades with the other 15 kids, Two full-time teachers.
- **FUNDRAISER:** Cookie dough pick up is scheduled for March 26 and April 16. \$13,000 raised so far with three tracks counted, but need to give half to the cookie company. Next year's fundraiser - PTA wants the fall fundraiser. Community Council will do cookie dough next year. Mendee Williams approved, Dave Olsen seconded.
- **PTA:** PTA would like to use green paper for all notes going home from PTA. Community council will use yellow. School website is coordinated by Amy Stevens. Her email is [akagundy@gmail.com](mailto:akagundy@gmail.com). Thirty day BYU food study to watch kids eat fruit and vegetables. The food study will be held April 2-May 13, from 11:45-1:15pm. Can contact [mindypeck@hotmail.com](mailto:mindypeck@hotmail.com), if interested in helping with BYU study.
- **RECESS BEFORE LUNCH:** Council would like to see recess before lunch go at least one more year to get a better idea if it is helping the students and teachers.
