

Enrich Our Student's Education

Joining the PTA is a great way for parents and teachers to work together to achieve the best possible education for our children. The PTA's goal is to provide meaningful activities and events that will enrich kids' lives. We need your support. Being a member provides much needed funds to make PTA successful. So you know, of your \$6 membership fee \$4.50 goes directly towards PTA state and national operating costs. We get to keep \$1.50 to put towards things like field trips and academic support. While the PTA would love all members to volunteer, we realize that for some that is not possible. Becoming a member is a way to help without any time commitments. Return this completed form to the school with cash or check payable to Rose Creek PTA, and your membership card will be sent home with your student.

One Parent/Guardian Membership \$6.00

Two Parent/Guardian Memberships \$12.00
