

January 10, 2017

Dear Parents,

It is important that we obtain an accurate list of all children qualifying for Kindergarten for the 2017-2018 school year. If you have a child that will be five years of age on or before September 1, 2017, the child qualifies for next year's kindergarten program. *State law requires that all school districts in Utah abide by the same September 1st entrance cutoff date.*

If you have neighbors who have qualifying Kindergarten children, please share this information and encourage them to call the school to get their children registered. **Please enroll early!** The number of Kindergarten sessions is determined by this enrollment. If you have any questions, please call the school at (801) 254-8082.

If you have a child qualifying for kindergarten next year, please complete the form below and return it to the school office.

Sincerely,

Tami Bird, Principal
