

## Rose Creek Elementary School Community Council Meeting Minutes

Date: Monday, September 18, 2017

Time: 1:15

Location: Room #122

1. Andrea Lefgren opened the meeting. Everyone introduced themselves.
2. Alan Anderson made a presentation for fundraiser selling Cherrydale Farms chocolate bars. The bars are \$1 each. There are 48 in each box. The bars are a little bit bigger than World's Finest Chocolate bars. We talked about doing the fundraiser as well as adding an option for a plain donation. Next year we're also going to do a better job of informing parents where this money goes. A vote will be held after everyone has a chance to think about it.
3. Training- we reviewed the website to review where we can get information to learn more about councils. We also watched a video about trust lands and councils.
4. Information about digital citizenship was passed out. We will review it individually and discuss it later as a group.
5. Extension of learning program (before/after school) applications were discussed. Mrs. Chang proposed a Robotics program and Mr. Hart proposed a STEM program. Andrea Lefgren proposed a vote, Susan Carlsen seconded it. The motion carried to approve both clubs with 12 yea votes and 0 nay votes. Mrs. Bird will follow up on questions about both teacher and student interest in the clubs and report back.
6. Mrs. Bird reported on the Chrome box labs. They will be coming later, after the new ones come out.
7. Traffic update- Things are going well. People are getting into the groove. The crossing guard was discussed. We're going to see if we can get her here a little earlier. We're also going to try and speed up the drop off traffic by letting the cars go when the first car or two has unloaded their children.
8. Bus permits were discussed. Tami Bird made a motion to form a subcommittee to discuss the process of issuing bus permits. Charlotte Hansen seconded the motion. Andrea Lefgren will send out an email to invite interested SCC members to join the subcommittee.
9. Mrs. Bird explained the JIT kit- an organizational structure for handling disasters.
10. Minutes from the last meeting were approved.
11. The meeting was adjourned.

Our next meeting will be held on January 22, 2018 at 1:15pm.
