

Rose Creek Elementary
Learning Environment Need Form

Student Name_____

Current Grade_____ Current Teacher_____

Parent Name_____ Phone Number_____

Please describe the educational setting your child needs in order to maximize his/her learning. **Please do not ask for a particular teacher.** If there are other students in your child's grade level that he or she should not be in the same class with, please include this information and describe your reasoning. We want to be as intentional as possible when making class placements using all available information. Many factors are taken into account as we strive to create the best learning environment possible for every student at Rose Creek Elementary. Thank you for taking the time to share this information with us.
