April 1, 2019

Dear Rose Creek Families,

We have just finished another exciting month. A giant congratulations to all those who participated in Battle of the Books. We are so thankful for all the volunteers who made this event possible and so successful. A special thank you to Anita Florin and Kristi Gowen for their hard work and dedication. I can tell this is going to be a tradition in our community for years to come.

The start of April brings the beginning of the end of year testing season. This is a time where students are able to show their thinking and teachers receive valuable feedback on their instruction. Due to our numbers and limited space in the computer lab, testing will take place from April 8<sup>th</sup> and last until the end of May. Please check with your child's teacher for a more detailed schedule of specific class testing times. We encourage all families to be in attendance on testing days, get a good night's sleep, and eat a healthy breakfast.

We have recently implemented a new, fun incentive program at Rose Creek Elementary! We are giving out Raptorific Tickets for students displaying excellent behavior in the halls, cafeteria, during assemblies, and for keeping our environment clean. Ask your child what they are doing to earn Raptorific Tickets today.

I have truly loved my time so far working with such amazing students, staff, and community members. Thank you for such a warm welcome.

Happy Spring!

Cheryl Lassig  
Assistant Principal
