## Principal's Message

Dear Parents,  
Welcome back to school! This month students will learn Pledge #4 I am in charge of my own happiness!

"Happiness can't be bought. Yet, if we could, everyone in the world would line up to buy it!"  
--Sean Kim

Students will learn that they are the ones who are in charge of their own happiness. Individually, we are the ones that decide if we will be happy.

Here are some ways that are proven to make you happier:

1. Spend time with your loved ones
2. Start a task you've been putting off
3. Learn something new
4. Meditate
5. Get moving
6. Sleep more
7. Give back
8. Travel
9. Put down your phone
10. Find your "flow"

### PARENT/GUARDIAN CHALLENGE:

This month, we challenge each of you to sit with your child/children and make goals on how you will work towards happiness this year. Make a journal to log things that make you happy each day!

Happy January!  
Mrs. Egan

## Happy New Year!

As we embark on an exciting new year, many people take the time to set goals. It is often said that a goal without a plan is only a dream.

Consider setting "SMART" goals this year.

Good luck with your goals!

## Battle of the Books

This year we are doing online quizzes for each book. Students may take an online quiz at home after they have read the book. Students will receive prizes after they have read 1, 5, 10, 15, and 20 books. More information will be coming soon.

We hope to still make teams and do battles in the spring. If students will read books ahead of that time, they will be ready if we are able to do battles.

Bookmarks are available in the library to help students keep track of what they have read. Book lists and more information is available on the school website.
