Assistant Principal's Message

Hello Rose Creek families!

We have had a great October at Rose Creek. Our students continue to demonstrate respect and kindness. We are continuously impressed with how well students and teachers adapt to school during the pandemic. Thank you, parents, for your kindness, patience, and understanding as we follow health department regulations to keep our students and teachers healthy. We are lucky to be part of such a supportive community.

We loved seeing the smiles around student's eyes as they practiced the Golden Gate Kids Pledge # 1.

This month students are going to begin learning about Pledge #2...
I will be a true friend.

Students will learn how to be a friend to others while completing different lessons and challenges during the month. Childhood friends are valuable and necessary for a child's social and emotional development. Children with good friends have higher self esteem and can cope with life's stressors better than children without friends. It is important to help children learn how to make and keep friends in order to build social and emotional skills.

PARENT/GUARDIAN CHALLENGE:

This month, we challenge each of you to make something (a card, cookie, treat, etc.) with your child for a friend. Take it and deliver it to the friend to brighten their day!

"Friendships contribute significantly to the development of social skills, such as being sensitive to another's viewpoints, learning the rules of conversation, and age-appropriate behaviors."
~Paul Schwartz.

Thankful!

PTA would just like to express our appreciation for the teachers, staff, and administration at Rose Creek! Thank you for continuing to provide a great learning environment and experience for our children. We know there has been extra work for you this year and we appreciate all of you!

We would also like to encourage parents to help their children show the appreciation that I'm sure you feel as well. This month is a great time to practice writing skills and teach your children how to write thank you notes to all of the people in your life that could use a thanks!

Sixth grade is hosting this time and they would love your support! **Be sure to take your flyer**, (you'll receive it the week before the fundraiser) and let Papa Murphy's know that you are supporting Rose Creek with your order. **For online orders use the code "SUPPORT"** and put your grade and teacher's name in the comments.
