Principal's Message

Dear Parents,

It is good to have our students and teachers back in school.

Our teachers are the best! They are dedicated and hard-working. I am amazed by what I see happening in classrooms when I visit them during the week. Our students are top-notch! They come to school, ready to learn. They show concern about the well-being and feelings of others. It is an honor to be the principal of such a great school!

During October, students will learn about Golden Gate pledge #1, **"I will smile at others."** It can be hard to smile when you aren't feeling very happy. But when we choose to smile, we start to feel happier internally and externally. Here are 11 reasons you should smile every day, even if you don't feel like it!

1. Smiling can improve your mood.
2. Even fake smiles do the trick.
3. Smiling helps reduce stress.
4. Smiling makes you more approachable.
5. A smile makes you seem more trustworthy.
6. Smiling retrains your brain for the better.
7. Smiles are contagious.
8. Smiles may strengthen the body on a cellular level.
9. Smiling boosts your productivity.
10. Smiling, make you more creative.
11. Smiles are Free!

This month, we challenge you to participate in a 1-minute smile challenge with your family. While sitting around the dinner table, set a timer for 1 minute. During this time, everyone should smile at each other. Show off those pearly whites! After the minute is complete, talk about how it made everyone feel and what they noticed.

"Great power lies in a random smile, so long as you choose to share it with the world."

--Alena Hall

Don't forget to smile!
Mrs. Egan

Fall Fun!

Thank you for your support of our spirit gear sale. Thursdays are our spirit days this year and we encourage students to wear school shirts and school colors on Thursdays.

Halloween this year will look a bit different than usual. We won't be able to do a parade due to district regulations.

There also won't be parents helping with parties this time around. Students will still be able to celebrate in their classes with their teachers.

If you have questions about anything, please let us know!

~Hilary Stewart

Spirit Night

This year we are trying something new with spirit nights. Grades have signed up to individually sponsor different spirit nights.

The grade that hosts each night will receive 100% of the money donated by each restaurant, usually between \$150-\$400.

Our first Spirit Night will be at the Café Zupas in the District and will be sponsored by Kindergarten.

Date: Tuesday, October 13th

Time: 5pm-9pm

Place: Zupas in the District

You must say when you pay that you are supporting Rose Creek Elementary. You may also order from their app and use the code:

FUNDRAISER25

Zupas will give 20% of their profit to our Kindergarten.

ZUPAS[®]

PTA Membership

It's not too late to join PTA! PTA membership money goes to support projects at our school, the reflections contest, and supports the larger PTA organization that advocates for the well-being of children everywhere.

Reflections

Don't forget to work on reflections! You can find information on the school website and at <https://www.utahpta.org/reflections-rules>

Entries can be submitted at: <https://www.utahpta.org/ref>

SCC News

School Community Council— SCC

The School Community Council, or SCC, is a group of parents who work together with Mrs. Egan and other faculty members to make a difference at the school. The SCC helps create the academic school plan and decides how funds from the School LAND Trust money will be spent to achieve the goals in that plan. We look at how digital citizenship (safe and effective use of technology,) is taught and promoted at school. The SCC also works on safe walking routes and works to improve the safety of students and parents coming to and from school.

We would like to thank the parents for an outstanding job supporting our past chocolate bar fundraisers. You've helped us achieve our goal of a Chromebook for every student in 1st-6th grade. Thank you!

One of our goals this year is to have a STEM lab for all students to use next year. We will be purchasing supplies in the spring and look forward to seeing students use hands-on learning with real-world applications.

Parents' opinions are valued on the council and we need you! Get your application from Rose Creek's website under Community Council. Come help make a difference!

Andrea Lefgren
SCC Chair

Please don't park in the Stampin' Up property and utilize 3600 W.

Please don't park in the red zones.

When cars park in the red zones, especially at the hospital, it makes it hard for cars turning left to see children crossing.

With cars out of the red zone, children can be more easily seen crossing.
