The Friday schedule is new this year in Jordan School District. In-person school attendance is by invitation only each Friday. Parents will be notified by their child's teacher on Monday or Tuesday to inform them of their student's invitation to school in person Friday. PTA News

Welcome Back!

What a summer it's been! I am so excited for my kids to be back for another great year at Rose Creek, and my kids are even more excited! This year is going to pose a few more challenges than normal, but we are prepared to meet them head-on.

We are going to take this one month at a time as our situation is always changing.

We are not taking classroom volunteers and room parents at this time as volunteers are not allowed in the school yet, but we are hoping that that will change and we will be able to

have our room parents and our great volunteers back in the classrooms helping students and teachers.

This year we have the great opportunity to do our membership drive online as well as our t-shirt sales.

We are also proceeding with Reflections and Battle of the Books.

If you have any questions or comments for me or our PTA board, please let me know.

PTA Membership

We are excited to announce that joining PTA is easier than ever being able to **join and pay online!** Even though our parental volunteer opportunity will be different, we know that it is still important for us to be as involved as possible at our students school. Your funds and membership will still go towards valuable programs and purposes beneficial for Rose Creek students and teachers!

Spirit Shirts AND Gear!

We will still have Spirit Shirts, but also will be adding other products to show our Rose Creek Raptors Spirit this year! Ordering & payments will all be online this year, but will still be delivered to the students at school.

Stay posted for more information coming soon!

Reflections

Reflections is a national PTA arts contest. It allows students the opportunity to reflect on a theme and create their own work of art.

Our theme this year is "I Matter Because..."

Categories include: Dance Choreography, Film Production, Literature, Music Composition, Photography, 2D and 3D Visual Arts. Yes, we are doing the 3D Arts category this year!

Students may enter more than one category but only one entry per category. Students will submit entries online this year. No projects will be collected at the school. Projects will be due October 14th. More information will be coming soon, but kids can start getting creative now! See the official rules:

Battle of the Books

Wrapping up last year:

We are so sorry we weren't able to do our battles last year. We would still like to recognize the students for all the books they read! We will soon be sending out a Skylert message with a way for you to record which Battle of the Books list your child has read.

If your student participated in Battle of the Books, please fill it out.

This year:

Our new book lists are out! Some of my personal favorites are on it, *Freckle Juice*, *Holes*, *Hatchet*, and more!!! The books are in the library available for check-out. Students doing online school will also have access to school library books.

Your child can start reading right away! The book lists are on the Rose Creek website. They can be found on the Battle of the Books page under the PTA tab.

We are going to hold off on making teams for now. We hope our situation continues to improve and we hope to be able to make teams in January or February and have battles in April or May.

Happy reading!!!
