

School Community Council 5-14-2024

Skylee Neff, Joshua Brothers, Karen Egan, Mandy Goodwin, Preston Norton, Erica Swenson

1. Trust Lands: Management was particular about what materials were to be purchased. Karen clarified that it was for the 95% program materials.

2. TSSA (Teacher Students Success Act)

3. Review: Handout of Rules of order and procedure reviewed.

Current SCC parent members

Skylee Neff – 2 years

Erica Swenson - >2 years

Preston Norton – 1 year

Diane Dalton – 2 year

Christy Wardell – 1 year

We'll have elections for 2 seats each fall.

Motion to approve- Joshua Brothers, Second Preston Norton- All were in favor.

Additional teachers will be invited to attend for input.

4. End of year testing- It's happening. The kids are working hard. Final results last year didn't come back until February and were reported in March.

5. Safe walking routes- update- When Karen met with the city, they discussed the Summerwood neighborhood. There was a police presence there that day.

6. Wellness Room – End of year Summary- Redecorated the teacher break room as a wellness room. The teachers have used it for meetings together. Results are from March 1 until now.

80.75% of kids felt better after going to the wellness room.

Top coping tools are the kinetic sand, sand tray, stress ball, love sac, buddha board

Fire marshall was concerned that water could not get into the bird's nests.

Disposition – almost all visits were referred to from the classroom.

7. Safety Drills – Should drills include taking out the emergency kits? Do water pouches? The pouches are good for 5 years. Action item: Josh will discuss with the

Safety team what we should do for emergency kits during drills and emergencies and report to PTA about what they would like to do.

SCC meetings next year -
