### **SCC Meeting Minutes**

2/25/25, 1:00pm

1. Meeting called to order by Diane Dalton, SCC Chair
2. Reviewed and Approved [December SCC Meeting Minutes](#)
3. Discussed Reflex Math
  - a. The subscription for Reflex Math has ended. The faculty discussed which programs that they wanted to use. In lieu of Reflex Math, educators K-3 opted for BrainPop Jr. and 4-6 chose Generation Genius.
4. Review Safe Routes to School progress
  - a. The Safe Routes Plan has been submitted to the District. They will review it and connect with Municipal Leaders for review and final approval.
5. Reviewed the Rose Creek 25/26 LAND Trust Plan
  - a. Reviewed Acadience Growth Data
    - i. RCES met the State Goal of 60% of students making typical or better growth in all grades in the 23/24 school year.
    - ii. Review of current Acadience Data also indicates that our MOY scores are higher than 23/24 MOY Scores, and data indicates that we are stronger this year (24/25) as a whole school than we were last year (23/24), and on track to meet this year's goal of 60% of students grades 1-3 making typical or better growth.
  - b. Review and Discussion of LAND Trust Plan to be led by Karen Egan
    - i. **Trust Land Plan**  
**Goal:** Increase the number of K-6 Students reading on or above grade level by 6% between September 2025 and May 2026.  
Measurement–Through Acadience BOY/EOY Data.  
**Action Steps:**

- Hire assistants to instruct small groups.
- Use Acadience Assessments at BOY/MOY/EOY to track progress and make adjustments.
- Small groups of students will receive 95% Phonics Instruction from trained assistants who assess and monitor progress.
- Funds will pay a portion of the Instructional Coach salary, who will train assistants, work with teachers on student grouping and oversee the 95% program.
- Teachers and assistants will use the Acadience Monitoring tool to track student progress.
- Teachers and assistants will use the PSI and PASI to assess students and update intervention groups every three weeks.
- Worn out 95% materials and supplies will be replaced to ensure they are in good condition.
- New iPads and touch-screen Chromebooks will replace old or damaged ones so teachers and assistants can assess and monitor student progress.
