

Rose Creek Elementary School Community Council Meeting Minutes

Date: Wednesday, February 3, 2016

Time: 1:15

Location: Rose Creek Elementary Faculty Room

1. Last meetings minutes were approved and signed.
2. Presentation by Steve Conger about World's Finest Chocolate fund raiser. Options were discussed for a \$1 or \$2 case. An informal vote was taken and the committee decided on \$1 cases for the students to sell. Incentives were discussed. Steve will help us out with communication and coordination with the office. The box design was discussed. The fundraiser will be held from March 14-24 for A, C, and D tracks and from March 29-April 8 for B track.
3. Parking lot discussion
 - Pick up and drop off procedures were discussed as well as concerns about entering and exiting the parking lot.
 - Concerns include but are not limited to: U turns on 3600 West, low visibility due to people parking in front of the hospital, lack of drop off procedure, speeding, cars waiting too long after they've dropped off their kids, kids being dropped off in the through lane, kids exiting the driver's side of the car, parents dropping kids off in the parking lot.
 - Possible solutions include but are not limited to: speed bumps, raised crosswalks (crosswalks that are made of asphalt like a speed bump so they act like a speed bump in slowing down cars and also raise children up so they are easier for cars to see,) put strict drop off procedures in place and train the community in them, install a fence along the south and west side of the parking next to the through lane in the drop off area to prevent kids from cutting across the two lanes of cars and encourage them to use the crosswalk, put a crosswalk on the east side of the parking lot so kids have a way to more safely get to the cars parked in the parking lot, add signs for a drop off zone and paint a drop off zone. Solutions are also being discussed with the city for concerns out front of the school.
 - Mrs. Bird will follow up on the possible solutions as she communicates with other parent groups, the district, and the city.
 - Lots of parent help will be needed as we start to implement plans.
4. Our next meeting will be in March to start discussing the School Improvement Plan for next year.
5. The meeting was adjourned.

Attendance

Jennifer Fulmer

Tami Bird *Tami Bird*

Hilary Stewart *Hilary Stewart*

Mendee Williams *Mendee Williams*

Susan Carlsen *Susan Carlsen*

Charlotte Hansen *Charlotte Hansen*

Andrea Lefgrenn

Coleen Walton *Coleen Walton*

Amy Slack *Amy Slack*

Suzanne Stokes *Suzanne Stokes*

Jennifer Richards *Jennifer Richards*

Holly Perry *Holly Perry*

Trudy Feigel
Judy Feigel

Visitors
