Date: Wednesday, May 4, 2016

Time: 1:15

Location: Rose Creek Elementary

1. Susan Stokes motioned to open the meeting, Karen Spencer seconded it. The meeting was opened.
2. The minutes from the last meeting we read. Tami Bird motioned to approve them, Karen Spencer seconded it. The minutes were approved.
3. Tami Bird shared her rough draft of the letter to inform parents of the new drop off procedures. The new procedures were discussed as well as the process to introduce them to school community. Part of the launch will include informing the students of the new procedures, sending home a letter to parents, and sending out an informative video. The new procedures will begin on June 13. We will do some training on the new procedures at the end of this year and refresh and continue that training at the beginning of next year. Tami will send out a sign up asking people to help with implementation.
4. Matt Young informed us of the new bond that will fund the building of new schools. The school board has undergone much research regarding the projected growth for our district. The board is proposing 4 new elementary schools, 2 new middle schools, and 1 new high school. The bond they are proposing will be for \$245,000,000 to cover the cost of these schools. This is about half the amount of the bond that was proposed a few years ago and will have far less affect on taxpayers.
5. Linda Kruger reported on the success of the fundraiser. The amount of money that the school will get is about \$14,000.
6. Amy Slack motioned to close the meeting and Mendee Williams seconded it. The meeting was closed.
