

# **Rose Creek School Community Council Agenda January 20, 2021 1:00**

## 1. Welcome

## 2. Safe Walking Plan

Added new section behind Walmart to safe walking routes plan. Kimberly Ranney explored the area and said there are safe sidewalks and a good route to school.

Refresh training for teachers crossing kids in front of the office. They should allow the line of cars through before crossing kids.

Action - Karen will address the concern with first grade teachers

## 3. Digital Citizenship/Safety

Digital Citizenship- through Netsmart. Filters have been strengthened.

Digital Citizenship week February 22-26

Landschool helps teachers monitor what students are doing on their chromebooks.

There is a system that checks emails. There have been instances where they've caught crisis that needed to be addressed

## 4. Trustland Plan

Not able to hire enough teachers for 95%. District has a new program, Really Great Reading, for k-2 that they are trying out. So a little bit of 95% and a little of the other. Purchased 150 chromebooks for kindergarten if they have to move online. New chromebooks have a different charger.

## 5. Stem Lab

PTA has \$5000 in scholastic money. There are cabinets in the computer lab. Put together a committee for the Stem Lab. At the next faculty meeting they will ask what

the teachers want from the lab and make plans from there. Split cost between PTA and community council. Maria, Hilary, and Erica would like to be on the committee.

Other business- For the valentine's party, treats will need to be brought to the school 3 days before. They are trying to find the antenna for the sign out front to fix it.

#### Participants

Andrea Lefgren, Karen Egan, Erica Swenson, Maria Johnson, Danielle Tuttle, Hilary Stewart, Kimberly Ranney, Lara Smith

Next meeting: March 17, 2021 @1:00
