SEPTEMBER
2021

Dear Rose Creek Families,

Welcome back to school! It was great to see so many of you at Back-to-School Night. We are lucky to have such great parents at Rose Creek!

This year, we will learn more about **KINDNESS** as we participate in year two of the **Golden Gate Kids** Program. Golden Gate Kids is a positive behavior program that educates students' hearts and empowers them to connect with peers and school through PROSOCIAL behaviors such as kindness, inclusion, positivity, and outreach. The hands-on approach instructs students in the various attitudes, perspectives, and soft skills needed to help strengthen students interpersonally.

Two very influential educators said: 

"Educating *the mind* without educating *the heart* is no education at all"
- Aristotle

"When educating *the minds* of our youth, we must not forget to educate *their hearts*"
- Dalai Lama

"The Golden Gate Bridge is a symbol of connection; it was built to connect two isolated communities. Emotionally connected children do better academically! Golden Gate Kids are Bridge Builders, they build up others and themselves. They are the ones who smile, befriend the friendless and make a difference wherever they go."

-Jolene Ward, President & Founder - goldengatemovement.org

Please take a moment and talk to your children about what they are learning each week in Golden Gate Kids.

Have a great year!
